Submit
Cancel

Pilih menu “**Sales Return Parameter**”

Sebelumnya pastikan dulu dengan cara search,bahwa plant yang ingin di create

Sales Return Parameter nya belum ter-create.

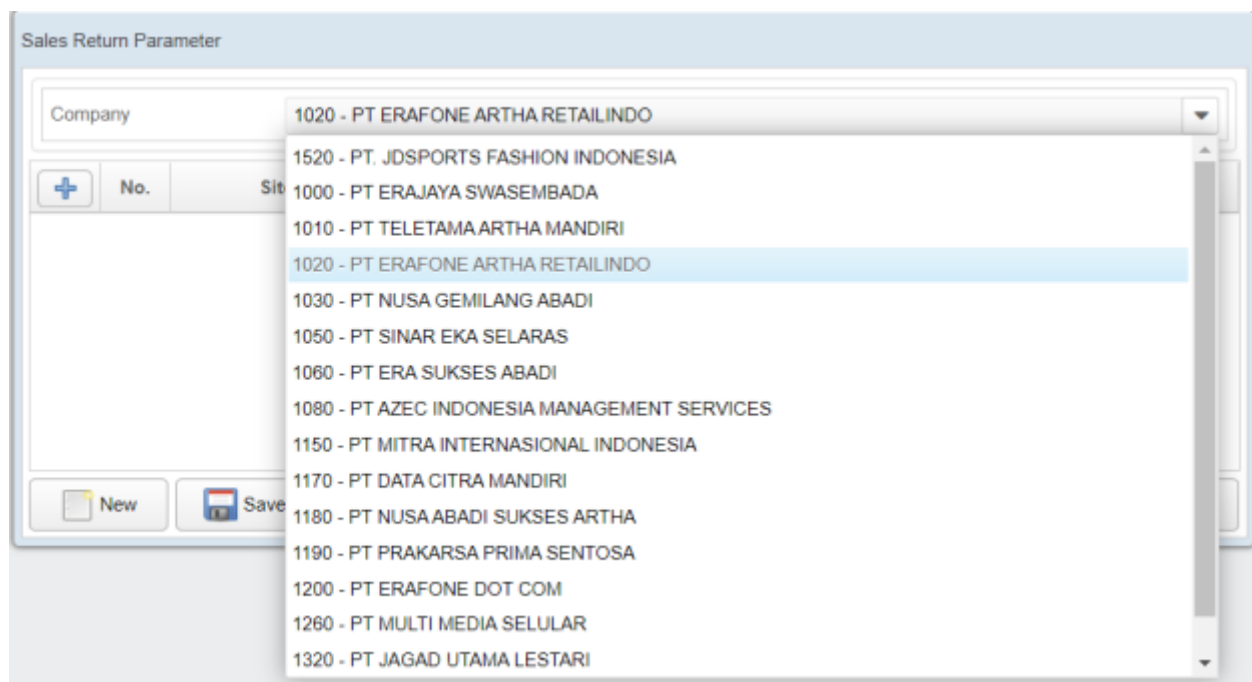

Setelah di pastikan belum ada,klik icon NEW di pojok kiri atas

Akan muncul tampilan berikut

Pada field “Company” pilih PT / Company Code dimana plant/site tersebut terdaftar

Kemudian klik icon +

Sales Return Parameter

Company: 1020 - PT ERAFONE ARTHA RETAILINDO

	No.	Site Code	Site Name	Max Return Day	Message
--	-----	-----------	-----------	----------------	---------

New Save Close

Isi Max Return Day normal sesuai PT,kemudian klik Save.

Sales Return Parameter

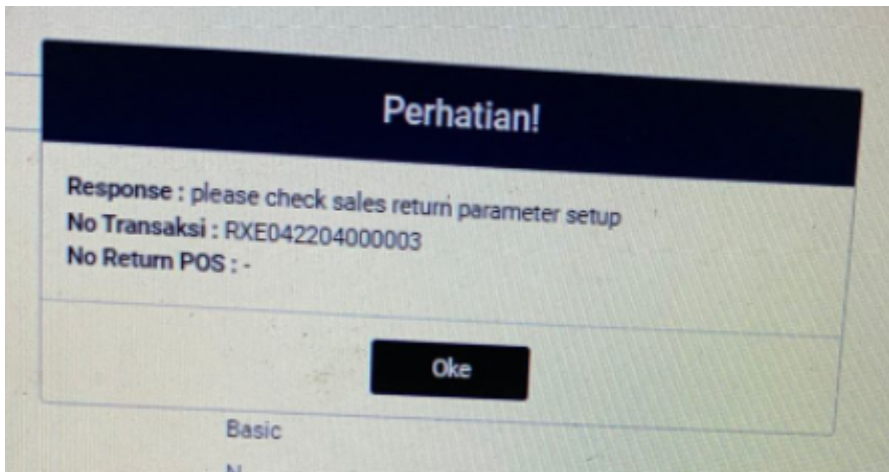

Company: 1020 - PT ERAFONE ARTHA RETAILINDO

	No.	Site Code	Site Name	Max Return Day	Message
	1	E340	ERAFONE SUZUYA MEULABOH - MEULABOH	2	

New Save Close

Selesai.

Apabila **Sales Return Parameter** ini belum di create,maka pada saat proses Rj akan muncul error seperti berikut :
