Monitoring Report

Mapping Issuer to Site

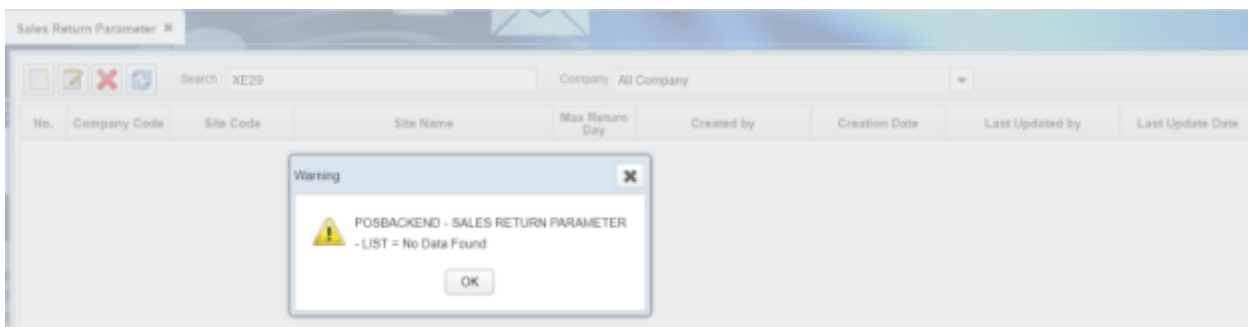

Setup Payment Method

Setup Payment Return

Sales Report

Sebelumnya pastikan dulu dengan cara search,bahwa plant yang ingin di create

Sales Return Parameter nya belum ter-create.

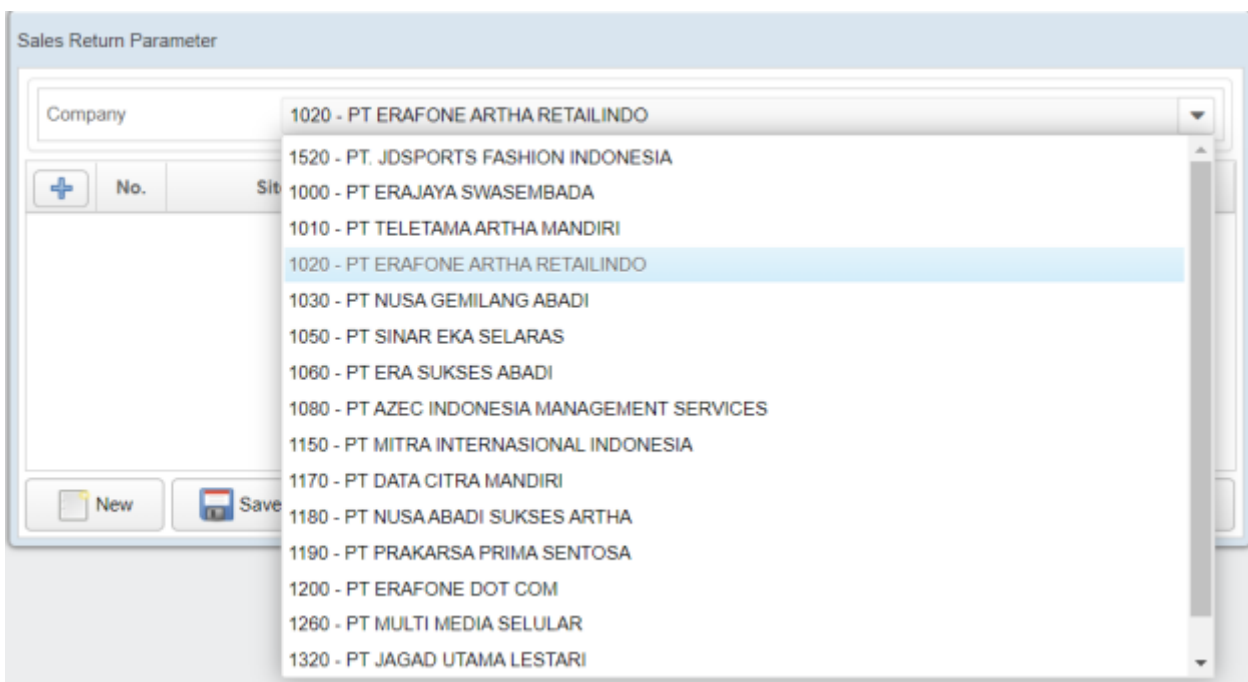

Setelah di pastikan belum ada,klik icon NEW di pojok kiri atas

Akan muncul tampilan berikut

Pada field “Company” pilih PT / Company Code dimana plant/site tersebut terdaftar

Kemudian klik icon +

Sales Return Parameter

Company: 1020 - PT ERAFONE ARTHA RETAILINDO

	No.	Site Code	Site Name	Max Return Day	Message
					

New Save Close

Isi Max Return Day normal sesuai PT,kemudian klik Save.

Sales Return Parameter

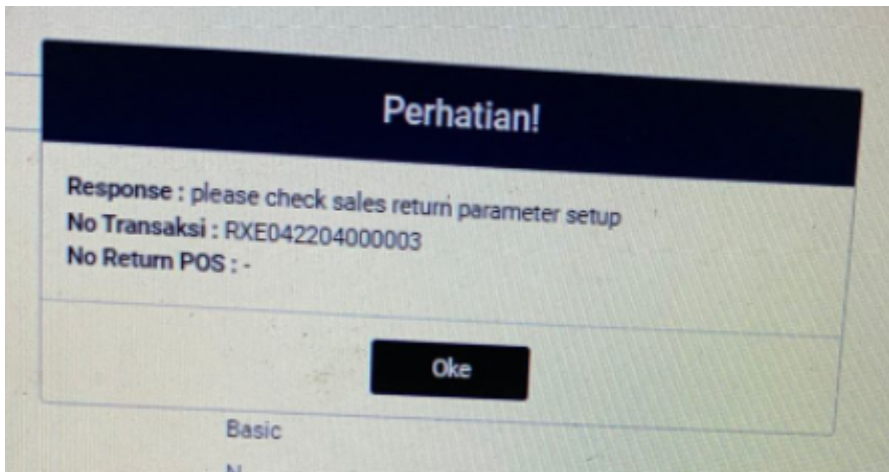

Company: 1020 - PT ERAFONE ARTHA RETAILINDO

	No.	Site Code	Site Name	Max Return Day	Message
	1	E340	ERAFONE SUZUYA MEULABOH - MEULABOH	2	

New Save Close

Selesai.

Apabila **Sales Return Parameter** ini belum di create,maka pada saat proses Rj akan muncul error seperti berikut :
