Terms and Conditions Governing Access to Erajaya Group Companies Computing Facilities

- Every user account will be issued a temporary password. The temporary password of the user account will automatically expire the first time the user logs into the system. The user will be required to key in a new password of his / her choice when the password has expired.
- If the password(s) is / are exposed or suspected to be exposed to any other person(s), the user shall immediately change the password(s) OR immediately notify his/her local IT Security Administrator to instruct for changes in password(s). In addition, any tampering of passwords or attempts to guess passwords is strictly prohibited. Unattended workstation must be secured with password-protected screen-saver.
- The user ID shall be used only during its approved validity period to perform the required job function as authorised. The validity period shall be deemed to expire in the event a user is transferred from current job position, relieved of current duties, go on long leave of absence, expiry of any contractual services and/or upon staff ceasing to be in Erajaya employment. The user and / or his Management shall be responsible for notifying the Security Administrator on the above or changes thereof.
- Erajaya reserves the right to monitor, investigate and record users computing activities. In the event of any suspected or proven violations of these Terms and Conditions. Erajaya reserves the right to revoke any access without prior notice. In addition, Erajaya shall also reserve the right to add, delete or amend these Terms and Conditions accordingly.
- In event, a user does not wish to be bound by these Terms and Conditions, no User-ID will be granted or User-ID will be revoked, whichever is applicable.

I have read, understood and will concur to the terms and conditions as stated above.
